The Store of Culture and Spirit

Aesthetically spoiled connoisseurs, curious design students, panicking guests searching for the ideal wedding present, old clients who always come by for a cup of coffee ... are some of the usual, welcomed appearances in this charismatic store of merry and "kooky" atmosphere

In the romantic surrounding of ancient houses at Tkalčić Street in Zagreb, a store of very unique and carefully selected offering has been open for about ten years. Since its beginning, Modus has a status of some sort of school of good taste in industrial design, with a very wide and loyal base of clients, friends and admirers. Aesthetically spoiled connoisseurs, curious design students, panicking guests searching for the ideal
